IT might have sounded odd that I wasn't totally satisfied with our 4-1 win against Wolverhampton Wanderers in our previous home game but I won't be entirely happy until I can see us play more consistently.

Some of the football we played in the second half against Wolves was excellent. You could tell that the anxiety that had been there suddenly disappeared once Stevie Thompson had stuck away that penalty just after half-time.

And as I said in the programme for that match, "if we can get a couple of goals to get us comfortably on our way today I'm sure you'll see us start buzzing".

That's just what we did. But we were still guilty of failing to keep things tight and disciplined. Wolves were never in that game in the first 25 minutes then suddenly we presented them with a couple of chances.

Nevertheless, there were many pleasing things about our performance that day, our success from a set play, the better balance in midfield and four goals to enjoy. Unfortunately these notes were written prior to Saturday's game at Walsall so comments on that performance must wait.

Things haven't gone as smoothly as we would have liked in these early days of the season but we've shown that we can play well and all we need is that touch of consistency. Let's set ourselves high standards — hitting form and goals in both halves of the game. We are looking fit enough — there are no

problems on that score and we are working hard enough.

After our morning training sessions we have been spending afternoons working on particular disciplines, formations and set plays.

Let's hope we reap our reward tonight when we meet a couple of old friends among our visitors from Lincoln.

John Pickering, the Imps' new manager, was here at Bolton as a coach under Ian Greaves and having seen them play a couple of weeks ago I noticed their skipper was one of our former players — Neil Redfern.

We welcome these and all the Lincoln players, officials and supporters and look forward to an enjoyable game of football.

Before signing off I would like to ask as many of you as possible to give us your support next Wednesday when we go to Nottingham Forest for the first leg of our second round Milk Cup tie.

It is a tough draw for us but hopefully with your support we can spring a surprise on Brian Clough's men and press home the advantage of having them back here in the return on October 8.

FRONT COVER: David Cross heads his second goal, Wanderers' fourth, against Wolves.

Lincoln City

MANY CHANGES AT SINCIL BANK

by Tony Pullein

When John Pickering took over as Lincoln City's manager this summer, he felt considerable change was needed at Sincil Bank if the Red Imps were to avoid another battle against relegation. And the Lincoln side that kicked-off the new season contained five new faces. Two more new men were drafted in for their Milk Cup clash with York City.

Mr Pickering, formerly manager of Blackburn Rovers, was Lincoln's assistant-manager until Colin Murphy left at the end of last season. Two of his new players were plucked from non-League soccer and given their League debuts on the opening day of the season against Gillingham — defender Steve Richards (from Gainsborough Trinity) and midfielder Andy Toman (Bishop Auckland).

Centre-back Gary West and midfield man Richard Cooper both joined Lincoln from Sheffield United during the summer. And former England centre-forward Bob Latchford signed for the Red Imps after spending last season with Coventry City.

Centre-forward Warren Ward, signed from York City, and forward Steve Burke, signed on loan from Queen's Park Rangers, both made their first appearance for the club in the Milk Cup tie with York City.

Though Lincoln have been faring very well at Sincil Bank — they dropped their first home point in a 3-3 draw with Doncaster last week — their away form has been causing concern. Prior to their trip to Bristol Rovers on Saturday, Lincoln had been beaten in all three away matches — at York (1-2 in the Milk Cup), Rotherham (0-1) and Bury (0-4).

Since winning promotion from the Fourth Division in 1981, Lincoln have been hoping to take a further step up the ladder. They missed promotion by only one point in 1982 but the following season they seemed certain to finish in the top three.

They crushed Bournemouth 9-0 in

one game and by January were firmly on top of the Third Division. Sadly, internal disagreements ruined their chances that year and they eventually finished sixth.

Since then they have never looked quite so impressive and last season they were hovering around the danger mark for much of the season, eventually finishing five points clear.

The season ended tragically at Bradford City when the stand caught fire five minutes before the interval. With so many people losing their lives, it was considered inappropriate to replay the game so the score at the time (0-0) was declared as a result.

If they can improve their away performances, Lincoln hope they may be able to make another bid for promotion. It's now 24 years since they last enjoyed Second Division football at Sincil Bank.

Lincoln are one of the oldest clubs in the Football League. Formed in 1883, they became founder members of the Second Division of the Football League in 1892. Though voted out of the League in 1908, they regained their place a year later.

The Red Imps were ejected again in 1911 but, again, they were welcomed back into the League a year later. In 1920 they were thrown out of the League for a third time but, with the Third Division (North) being formed in 1921, they again spent only one season outside the fold.

For many years Lincoln floundered in the lower regions of the Northern section but in 1927/28 they emerged as surprise challengers for promotion. They eventually missed out.

They eventually returned to Division Two in 1932 when they pipped Gateshead on goal average for the Championship of the division. Within two years they were back in Division Three, remaining until winning promotion again in 1948.

This time they were relegated at the

end of their first season but in 1952 they returned for their last spell of Second Division play. They remained until 1961 and a year later they dropped into the Fourth Division for the first time.

That was the start of a very long spell in the League's basement. Defeat in their final match cost them promotion in 1975 but a year later they smashed all previous League records by winning the Championship with 74 points.

Manager Graham Taylor left for Watford in 1977 and the club went into decline again, dropping back into Division Four in 1979. Under Colin Murphy, the Red Imps returned to the Third Division in 1981.

STUART NAYLOR (Goalkeeper). Stuart is a former England Youth international who was spotted playing for Yorkshire Amateurs. He became a professional in 1980 and made his early League appearances for Lincoln in 1981/82. The following season he went on a brief loan to Peterborough and he spent most of 1983/84 on loan to Crewe, making 38 League appearances. He has been holding the first-team place for Lincoln since last November.

NEIL REDFEARN (Defender). Neil is a former Bolton player. Though normally a midfield player, Neil has recently been playing right-back. Once with Nottingham Forest, he made his breakthrough in League football with Bolton in 1982/83. He initially joined Lincoln on loan two seasons ago.

MARK McCARRICK (Defender/Midfield). Mark came into prominence with Witton Albion and Birmingham snapped him up. He played 15 times in their First Division side in 1983/84 but then found himself a victim of the economies forced upon the club by relegation. He joined Lincoln during the summer of 1984.

GARY WEST (Defender). Gary served his apprenticeship with Sheffield United, winning England youth honours in his early days. He made his League debut for the Blades in 1982, and completed 75 League appearances

BACK ROW: Steve Carter, Steve Collins, Mick Coady, Devon White, Bob Latchford, Neil Redfearn, Gordon Mair.

MIDDLE ROW: Richard Cooper, Warren Ward, Gary Strodger, Gary West, Stuart Naylor, John McGinley, Steve Thompson (now with Charlton Athletic), Gordon Simmonite, Phil Turner.

FRONT ROW: Willie Gamble, Phil Boersma (Assistant Manager), John Pickering (Manager), Bert Loxley (Physiotherapist), Park McCarrick.

ON THE GROUND: Neil Franklin, Alex Buck (Apprentices).

before transferring to Lincoln this summer.

STEVE RICHARDS (Defender). Steve was signed from Gainsborough Trinity and made his League debut for the Red Imps against Gillingham on the opening day of this season.

STEVE COLLINS (Defender). Steve joined Lincoln on loan from Southend last season. He began his career with Peterborough, making his League debut against Blackpool in 1979. Southend signed him in 1983.

GARY STRODDER (Defender). Gary served his apprenticeship at Sincil Bank and was given his first chance in League football three seasons ago. He has appeared in midfield and defence.

ANDY TOMAN (Midfield). Andy joined Lincoln from Bishop Auckland this summer and made his League debut on the opening day of this season. He scored his first goal against Walsall.

PHIL TURNER (Midfield). Phil developed in the Youth team and came through to the League Eleven in 1979/80. He has been a fixture in the side for more than five years now and this season celebrated his 200th League appearance.

RICHARD COOPER (Midfield).

Richard spent his early years with Sheffield United, making his League debut towards the end of the 1982/83 campaign. He joined Lincoln last month, playing his first game against Walsall.

GORDON MAIR (Midfield).

Gordon played for Scotland schoolboys and was later invited to join Notts County as an apprentice. He made his League debut for the Meadow Lane side in 1977 and helped them progress to First Division status in 1982. Gordon made around 150 first-team appearances for Notts and moved on to Lincoln during the 1984 close-season.

JOHN MCGINLEY (Forward).

John joined Sunderland from Gateshead and made three appearances in the Rokerites League team in 1981/82. He was then transferred to the Belgian club Charleroi and returned to League football with Lincoln last season.

STEVE BURKE (Forward).

Steve joined Lincoln, on loan, from Queens Park Rangers last month. He started with Nottingham Forest but, though he didn't play in their League eleven, Q.P.R. invested £125,000 when they

signed him in 1979. During periods when he has been out of the Rangers' side, Steve has also played on loan with Millwall and Notts County.

WARREN WARD (Forward).

Warren developed with York City, getting his League chance last season. Lincoln signed him this summer.

DEVON WHITE (Forward).

Devon was signed from Arnold Town and was given his chance in League soccer last December when he made a couple of appearances as substitute. He later played several full games.

BOB LATCHFORD (Forward).

Former England centre-forward, Bob joined Lincoln from Coventry this summer. He began his goalscoring career with Birmingham, and Everton paid £350,000 for him in 1974. He led Everton's scoring list in each of his first five full seasons and played for England on 12 occasions. Bob joined Swansea in 1981 but was one of many players released when the Swans' financial crisis came in 1984. After playing for a few weeks with NAC Breda, he signed for Coventry City last season.

CLUB NEWS

We welcome Lincoln City to Burnden Park tonight for the 15th Football League game between the two sides, with things being 'all square' on results of previous matches.

The first game took place here at Burnden 86 years ago when the Wanderers romped to a 4-0 victory before 3,000 people. Somerville, Fitchett, Gilligan and Bell were on the mark although Lincoln turned the tables in the return with a first-half goal from Scott winning them the points.

Lincoln completed the double in season 1903/04 whilst the Wanderers did likewise in 1904/05 and 1910/11. All these games took place in the Second Division as did Lincoln's 'surprise' victory at Burnden in December 1933.

Bolton were fourth in the League and looking for a quick return to the First Division whilst City were struggling at the bottom of the table.

The Wanderers 'rested' Atkinson and Finney bringing in Howarth and Griffiths for their first games of the season. Bolton were well on top early on with 'keeper Harry Church not touching the ball in the first 15 minutes.

The first goal came in the 23rd minute when Westwood and Rimmer combined well to set up Milsom who slipped the ball past City 'keeper McPhail.

Unfortunately things started to go wrong for the Wanderers and in the 39th minute City equalised when Campbell put the ball into an empty net after a mix-up between Griffiths and Church.

Two minutes from half-time City went in front when Horne converted a penalty awarded after Goslin had pushed Campbell.

Bolton were awarded a penalty in the 75th minute after Reddish had fallen on the ball and handled to prevent Cameron going clear. Jack Milsom stepped up but fired the kick over the bar and despite constant pressure later on City held on to win 2-1.

A crowd of 8,134 saw the following sides:— Church, Griffiths, Smith, Goslin, Howarth, G. Taylor, G. T. Taylor, Cameron, Milsom, Westwood, Rimmer.

Lincoln: McPhail, Buckley, Reddish, Barber, Young, Whyte, Horne, Jenkins, Campbell, Feeney, Wilkinson.

More recently the clubs faced each other for the first time in the Football League for almost 50 years in November 1983 at Sincil Bank. The game produced the only goalless result between the sides although the bruising battle extended Bolton's form to three away games without defeat. The following February, at Burnden, Lincoln took the points with a 2-0 win, thanks to second-half goals from Gordon Hobson and former Wanderer John Thomas.

Last season each club won their respective home games. At Burnden, Bolton extended their home run to six successive wins with a Steve Thompson goal separating the sides, although they had 'keeper Simon Farnworth to thank, saving a Ross Jack penalty 20 minutes from time. Mark Came made his full League debut for the Wanderers winning a tough duel with John Fashanu.

At Sincil Bank, City won 2-0 sending the Wanderers to their 13th away defeat of the season. Their goals came from Devan White, a minute before half-time and from former Bolton player Neil Redfearn in the 78th minute.

In cup football, the only encounter was in the 1977/78 League Cup when the Wanderers won a second round tie 1-0 at Burnden.

Our League record against Lincoln is as follows:

	P	W	D	L	F	A
HOME	7	4	—	3	14	8
AWAY	7	2	2	3	7	7
TOTAL	14	6	2	6	21	15

IN RESERVE

3rd September 1985

Grimsby Town Reserves 2

Bolton Wanderers Reserves 1

The Wanderers' Reserves went down to their first defeat of the season despite giving a plucky performance at Blundell Park.

Graham Bell gave Bolton the lead with a spectacular volley after receiving the ball from a Jimmy Phillips' long-throw.

Grimsby stepped up the pace early in the second-half and took the lead on the hour. Bolton gradually got back into their stride and had the majority of the game but couldn't convert their dominance to goals.

Paul Howard gave a good account of himself at centre-half whilst the First team members did well. Team: Campbell, Shepherd, Phillips, Darby, Howard, Winstanley, Bell, Roberts, McCarty, Rudge, Mullineux. Sub: Hughes for Mullineux.

11th September 1985

Bolton Wanderers Reserves 0

Middlesbrough Reserves 3

The Wanderers' Reserves slumped to defeat in an off-key performance as Middlesbrough grabbed three first-half goals. They gave a warning of what was to come in the fifth minute when Ripley hit the post but it was their dominance in the air that proved decisive.

In the 20th minute Kernhagan headed into the roof of the net from a right-wing corner after Wanderers' 'keeper Kevin Mailey and Middlesbrough forward Hamilton had collided.

Twelve minutes later the North Easterners went two up when centre-half Pallister rose unchallenged to head home from another right-wing corner.

Middlesbrough's third goal came just on half-time when Hamilton converted a penalty after Shepherd had tripped Roberts but the Wanderers had 'keeper Kevin Mailey to thank for keeping the score down.

Bolton improved in the second-half with Dean Roberts and Daryl McCarty going close, although their best chance fell to Graham Bell whose chip over the 'keeper went inches wide.

Team: Mailey, Shepherd, Phillips, Darby, Howard, Winstanley, Bell, Roberts, McCarty, Rudge, Whitlow. Sub: Griffin.

JUNIOR WHITES' NEWS

Tonight's Mascot is Martin Hodgkiss of St Mary's Avenue, Deane. Martin is 8-years-old and attends Deane County Primary. He is hoping to get into the school team later in the year and his favourite player is Tony Caldwell.

Make a note in your diary that the next Junior Whites meeting will take place in the Executive Suite here at Burnden on October 14th commencing at 6.30 p.m.

Down memory lane

15 years ago — 12th September 1970: Cardiff City inflicted Bolton's first home defeat of the season with a 2-0 scoreline. The Welshmen's first goal came a minute before half-time when John Toshack headed down for Ian Gibson to slam the ball into the roof of the net. Their second came in the 78th minute after winger Peter King tormented the Wanderers' defence to allow Brian Clark the time to choose his spot.

Huddersfield Town agreed a fee of £10,000 with the Wanderers for long serving full-back Syd Farrimond. Their manager Ian Greaves gave Farrimond time to think over the move and a return to the First Division, but personal terms could not be agreed and the deal was cancelled.

19th September 1970: Bolton bounced back with their first away win of the season at Blackburn Rovers. John Byrom and John Hulme returned to the side after injury in place of Garry Jones and Arthur Marsh who reverted to substitute.

After a scoreless first-half, Wanderers' winger Gordon Taylor was pushed up front and gradually they got on top. It was Taylor who scored Bolton's first in the 84th minute and former Rover, John Byrom, scored a second a minute from time.

10 years ago — 13th September 1975: The Wanderers made it three League wins in a row with a 2-0 win over newly relegated Luton Town at Kenilworth Road. The first goal came in the 37th minute when Paul Fitcher headed into his own goal when under pressure from Garry Jones.

Luton piled on the pressure in search of an equaliser but the Wanderers' defence held firm and when Hugh Curran blasted a left-foot shot past Luton 'keeper Keith Barber in the 71st minute the result was never in doubt. The only black mark on the afternoon for Bolton was the bookings of Sam Allardyce for a foul, Garry Jones and Peter Nicholson for dissent.

20th September 1975: Bolton had Roy Greaves to thank as it was his goal 10 minutes from time that saved Bolton a point in a 1-1 draw with Orient at Burnden.

Glenn Roeder put Orient in front from 25 yards in the 61st minute with his first League goal and his club's first away goal of the season. The Londoners' defence looked like holding firm with 'keeper John Jackson in fine form, but Roy Greaves struck the equaliser, coming in on the blind side to meet a Peter Thompson corner-kick.

5 years ago — 13th September 1980: Bolton visited Cardiff City still looking for their first away win of the season. Tad Nowak came into the side replacing Mike Carter and Paul Jones returned after injury. Unfortunately, the game was only five minutes old, when Jones limped off with a pulled hamstring, Phil Wilson coming on as substitute.

The Wanderers took the lead with a spectacular goal from Mike Walsh after 17 minutes but on the stroke of half-time the Welshmen equalised, Gary Stevens being the scorer the game ending in a 1-1 draw.

20th September 1980: The Wanderers went down to their first home defeat of the season at the hands of Swansea City by 4-1. The Swans romped into a three goal half-time lead after mistakes from Wanderers' 'keeper Dennis Peacock. Leighton James, Alan Waddle netted early on and Waddle also grabbed their third just before the interval.

Neil Robinson put Swansea four up in the 62nd minute and the Wanderers had to be satisfied with a consolation goal from Neil Whatmore.

Tad Nowak and Dave Clement played their final League games for the club, Nowak later to sign for Hanover in West Germany and Clement for Fulham.

CLUB NEWS EXTRA

WANDERERS RETURN

With Sam Allardyce returning to the Wanderers after spells at other clubs it is perhaps interesting to look at another Sam who left the Wanderers only to return, but in different circumstances.

Sam Greenhalgh was born in Eagley and signed for the Wanderers at the end of 1901-02 after playing for Eagley United and Turton. Bury and Preston also wanted his services but Sam accepted an offer from Bolton to play in a practice game against Bury. At half-time Bury made him an offer to join them and the Wanderers promptly offered him £3 10s. if he played in the First team and £2.00 in the Reserves. He accepted Bolton's offer and gave up his employment at the tramsheds to train full-time.

Greenhalgh was given the right-back position, later appearing at left-back before he got his opportunity at centre-half, when regular Billy Bannister was injured. Bannister couldn't oust Greenhalgh from the side and subsequently joined Leicester.

Following an injury against Wolves in September 1905 which left him idle for several weeks, Greenhalgh startled club officials by missing training, his explanation being his poor relationship with the other players and at the end of the season Aston Villa snapped him up.

He had been with Villa little more than a season when in September 1907 the Wanderers, realising their weakness at half-back, resigned him from Villa at 10 p.m. on a Friday evening. Two Wanderers' directors travelled to the F.A. and Football League to register him in time to play at Middlesbrough the following day and helped Bolton to their first win of the season. Incidentally, Villa suffered their first reverse on the same day.

Greenhalgh was given a standing ovation upon his return to Burnden and after the team had a poor run was given the captaincy. He started by winning the toss on 17 successive occasions and led the team to promotion in 1908-09. The players were rewarded with gold watches worth 15 guineas.

The 1914 war brought Sam Greenhalgh's first class career to an end although he did turn out for Chorley in later years.

He played twice against the Scottish League and Irish League filling all three half-back positions and was twice chosen as a reserve for England. He made 258 League appearances for Bolton scoring 19 goals between 1902 and 1914.

GUEST SPOT

DAVE SUTTON SAYS: "THE BEST IS YET TO COME!"

WHEN you've been with a club for eight years and enjoyed a reasonable amount of success you tend to expect that success to continue when you move on. And while there were times at Huddersfield when we had our problems I must admit I've never been part of a struggling set up.

I realise that things don't always run smoothly but I expect things to go well here at Bolton even though it might take a little time.

You'd be surprised how much more relaxed the atmosphere was, for instance, after we had won our first League game of the season last week against Wolves. If we'd won our first two League games, which we ought to have done, we'd probably not have lost another game.

Football is all about winning and even though we knew we had played well in spells in the previous games, we hadn't picked up those important winning points.

My theory on the game is that if the management and the players at a club are trying to do the right things and the players are good enough, things will come good in the end, no matter how difficult things seem to begin with.

And judging by the reaction of the crowd during the second game against Stockport when we drew 1-1 you can see the supporters don't see it that way.

The fans dished out a lot of stick in the direction of the players and the management. It really shocked me to hear some of the abuse that was flying about so early in the season.

Perhaps it had something to do with the team's problems over the past few seasons, I don't know.

But I'd like to hear what those critics have to say when things start to go well for us. I suppose it is difficult for the average fan to realise what's going on within the club.

The fact is that we are all working hard to see things succeed. The manager has brought some good experienced players to the club.

The club used to be one of the best in the country and everyone is doing his best to see that it is again.

Standards on the field might not match what they used to but standards off the field are just as high. The actual backroom team, the management, the coaches, the physiotherapist are doing things right. They are providing a good back up to the way the club is being run and it's up to

the players to do our stuff to make it all come together.

I've been as frustrated with my own personal performances just as much as I have been with the team's, especially with having been made captain. That's a sort of extra burden — not that it affects the way that you play — you just feel a touch more responsibility is on your shoulders.

The only game I have been entirely happy with my own form in up to now was at Doncaster. I'm only happy when I'm stopping teams scoring against us.

For the time being I'm having to wait for my chance to play a part in improving things because of this injury which is keeping me out of action.

But I'm determined enough to keep well on top of my fitness and I'm anxious to get back as soon as possible.

Then I think you'll see the real Dave Sutton playing as I know I can do.

TOP SCORE PLAY 6 from 49

BRITAIN'S BRIGHTEST NEW SOCCER POOL

WHAT IS "TOP SCORE" (6 from 49) POOL?

"Top Score" is a National Football Pools Competition organised by the English, Scottish and Welsh Clubs (Bolton Wanderers F.C. are a Main Agent and Shareholder of the Company). Its aims are to provide a value-for-money Competition in which the Public can participate each week with an opportunity of winning a share of the targeted £600,000 weekly prize money with a possible first prize of £250,000. All the profits will go back to Football.

HOW DOES "TOP SCORE" (6 from 49) WORK?

The aim of "Top Score" is to select the six individual highest scoring teams on the coupon. "Top Score" is a brand new football pool. Instead of picking score draws, you back your own hunches to find the top six scoring teams from the 49 on the coupon. Choose them correctly — you could hit the jackpot "Top Score" is everything you like about the pools — including the money. Every Saturday there's thousands of pounds to be won and there's a 1st, 2nd and 3rd dividend to play for.

"TOP SCORE" IS EASY — THE 1 MINUTE COUPON

You won't find an easier, simpler, quicker coupon to complete than "Top Score". Just identify your top scoring six, pop your crosses in the right box using a blue or black pen, fill in your name and address and we

will arrange collection of your coupon and money. IT'S THAT SIMPLE.

HOW MUCH WILL IT COST?

Each line is 25p, the minimum amount you can place on the coupon is 50p. There will also be a column on the coupon for small perms.

AN OPEN INVITATION TO SECRETARIES OF LOCAL SPORTS ORGANISATIONS

The running costs of local sports organisations increase yearly. Contact the Commercial Office at Burnden Park and we will explain to you how simple it will be to increase your revenue by £1,000 a year.

OUR CANVASSING POLICY

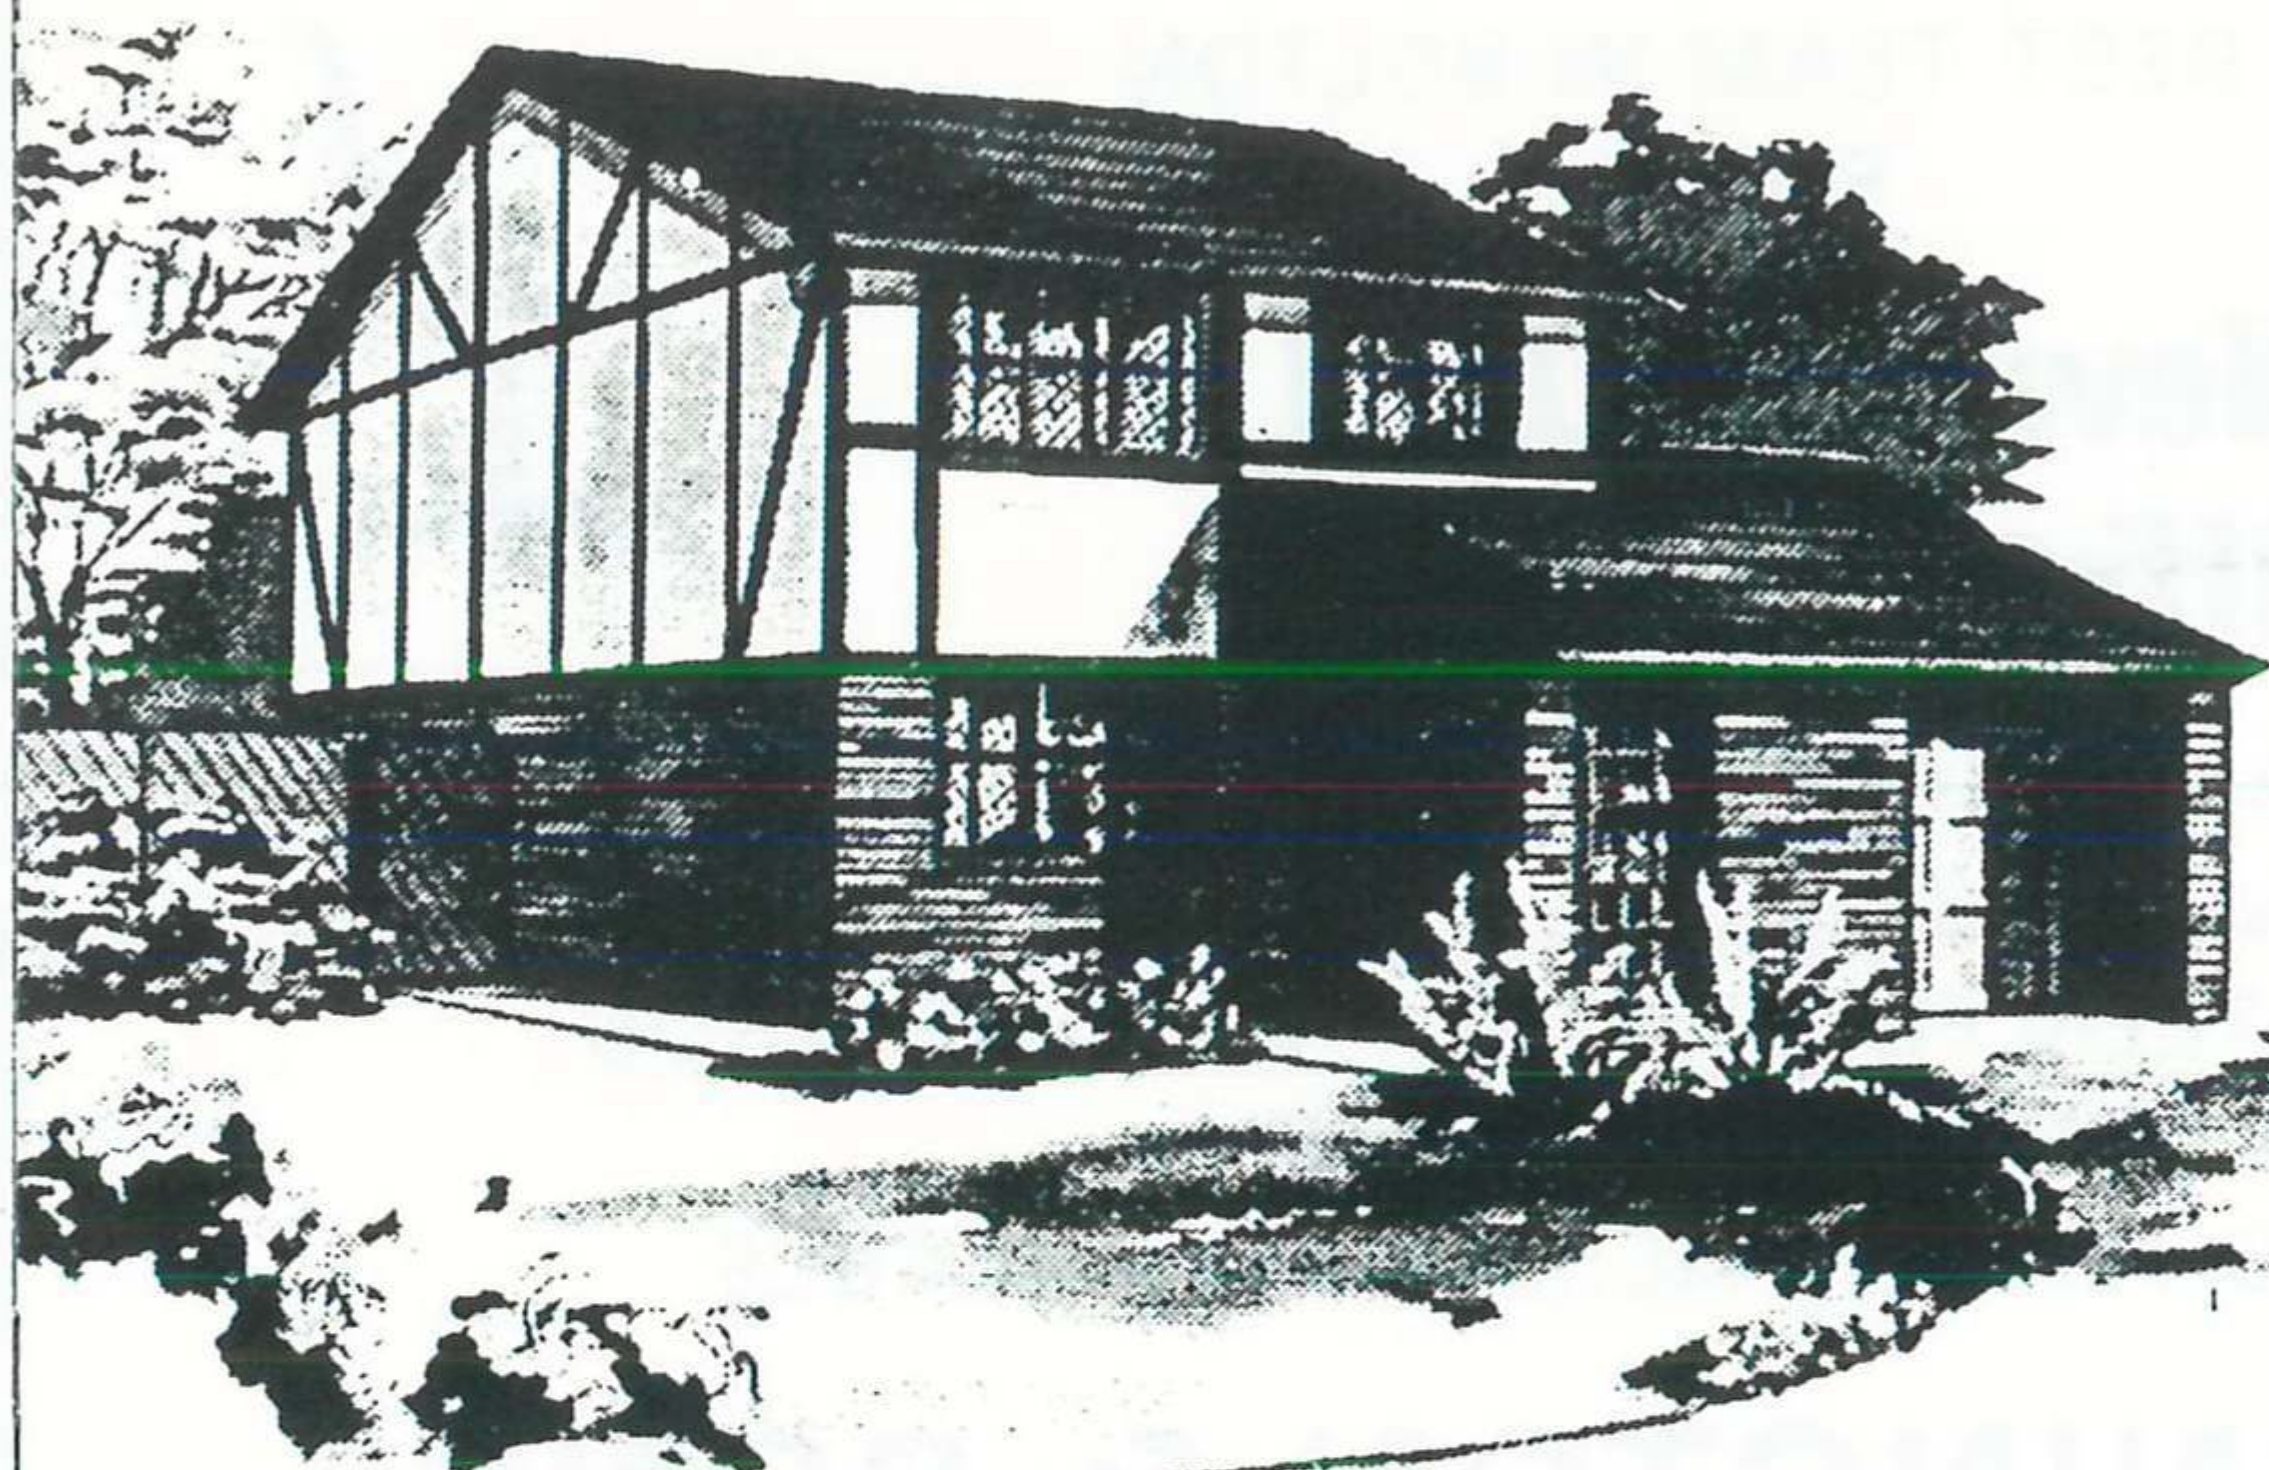

Canvassers from Bolton Wanderers F.C. will call on you at your home during the next few weeks. PLEASE ALLOW THEM TO EXPLAIN TO YOU HOW YOU CAN SHARE IN A PRIZE FUND OF £600,000 WEEKLY FOR A MINIMUM OF 50p.

Bolton Wanderers require collectors in both works and house-to-house collecting for this exciting new Pool. Should you wish to become a collector or require a coupon to be delivered to your house, contact: Commercial Office, Bolton Wanderers F.C., Burnden Park, Bolton 389200.
